

LEXINGTON CONTRIBUTORY RETIREMENT BOARD
REQUEST FOR PROPOSALS
ACTUARIAL VALUATION SERVICES

PUBLIC NOTICE

The Lexington Contributory Retirement System, a government retirement system regulated by Massachusetts General Laws, Chapter 32, and located in Lexington, Massachusetts, is seeking proposals for actuarial services for the generation of an actuarial calculation, report and funding schedule related to the assets and liabilities of said system that meets the requirements for approval by the Massachusetts State Actuary of the Public Employee Retirement Administration Commission.

The request for proposal will be available on September 16, 2013
The completed RFP must be received no later than 4:00 pm, October 17, 2013
The Board reserves the right to reject any and all bids.

Request for a copy of the RFP should be sent to:
